## PRESIDENT'S ANNOUNCEMENT

I would like to take a moment to thank all of you who have made this community a better place! From delivering newsletters in the "old" days, to the upkeep of our recreation areas, to contributing articles in our newsletter, YOU HAVE MADE A DIFFERENCE in the community and in my life.

While these past three years have been absolutely wonderful, I would like to spend more time with my wonderful family, too.

It's time for someone else to step up and take on a leadership role for Queens Park. Being the President is as big or as little as you want to make it. If you can give back to your community, I urge you to come forward and make a difference.
